What is “CoE online registration”?

CoE(Certificate of Eligibility) is a document issued by the Ministry of Justice.

All students without a valid status of residence in Japan must have a CoE issued before applying for a student visa.

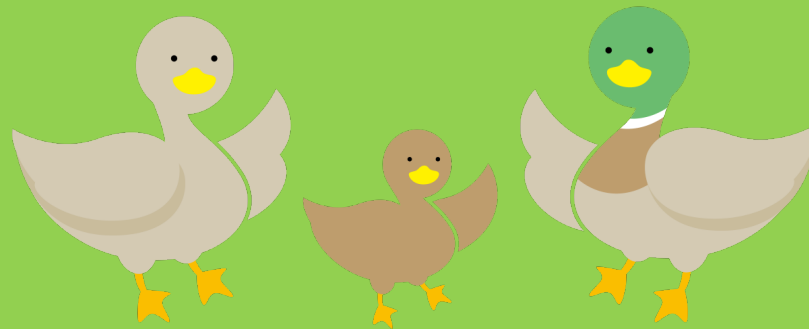

Keio University will apply for your CoE on your behalf.

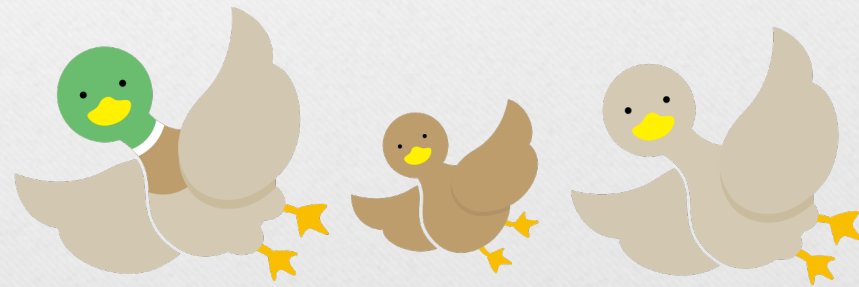

Please access your enrollment system, and log in to find [Enrollment Registration Guide](#) to see more details about the enrollment registration procedures.

All queries concerning enrollment registration for the GIGA Program should be directed to the Keio University Admissions Office.
